

## **Geoff Jones raises money for Welsh Air Ambulance**

Renowned Welsh Rally Ace Geoff Jones recently raised over £2700 for the Welsh Air

Ambulance when he held a charity day at the Sweet Lamb Motorsport Complex near Llangurig last Saturday.

Geoff, who runs the motorsport preparation company Geoff Jones Motorsport, was offering rides in the latest specification Subaru Rally Cars all day long, and with the helpful assistance of national rally drivers Neville Jones and Rob Swann, gave over 150 rides around a selection of stages throughout the day.

***I cannot thank everyone who turned out enough as I am amazed at the response we've had. I need to say a very big thank you to both Neville and Rob for assisting me on the day, and also to the Sweet Lamb Complex for all of their help. The staff at GJM deserve a big mention too for taking time out of their weekend to help out and of course a massive thank you to all the people who came for rides.***

***The Welsh Air Ambulance is a worthy cause that is very close to my heart and so I am very proud to be able to help out in this small way!***

Geoff, who is a former works rally driver for both Nissan and Proton, and now assists with the development of the Prodrive Subaru rally cars, has hopes to return to competition later in the year but for now will concentrate on both his rally preparation business and Geoff Jones Consultancy, which helps develop drivers natural talents.
