

## Spotlight on Neville Jones

With the 2010 season in full swing, Geoff Jones Motorsport has been right in the thick of it. One of Geoff's long-standing clients is gentleman-driver Neville Jones from Stone. Nev, along with co-driver Ian Capewell, has had an excellent start to the season in his Group N Subaru Impreza N12.

The success story began on the Bulldog Clubman Rally in March when Nev finished 3<sup>rd</sup> overall. This was followed by an outing on the Red Kite Stages recently. Seeded at car number 7, Nev romped home

to 8<sup>th</sup> overall and 3<sup>rd</sup> in class - and this from an entry of 67 cars!

Neville and Ian's next outing will not be long in coming. They have entered the Pirelli Tour of Cumbria on 24<sup>th</sup> April and their recent excellent results will be sure to boost their confidence. Geoff Jones Motorsport will be preparing the car as usual and looking after it on the event.

Neville has been a regular on the BTRDA series for some years starting out in a Vauxhall Nova before moving to four wheel drive in 2004. In 2008, he achieved a lifelong ambition to participate on Wales RallyGB.
